PRE-SEASON GAMES...

THE BEST I CAN EVER RECALL

I would like to welcome everyone back to the West Lancashire College Stadium and hope you have had a good summer. I would particularly like to welcome Bolton Wanderers and thank them for agreeing to play us.

We have a really impressive list of pre-season games this year, the best I can ever recall, and this should be the first of many very good games that I am sure will be memorable and will entertain you. It will

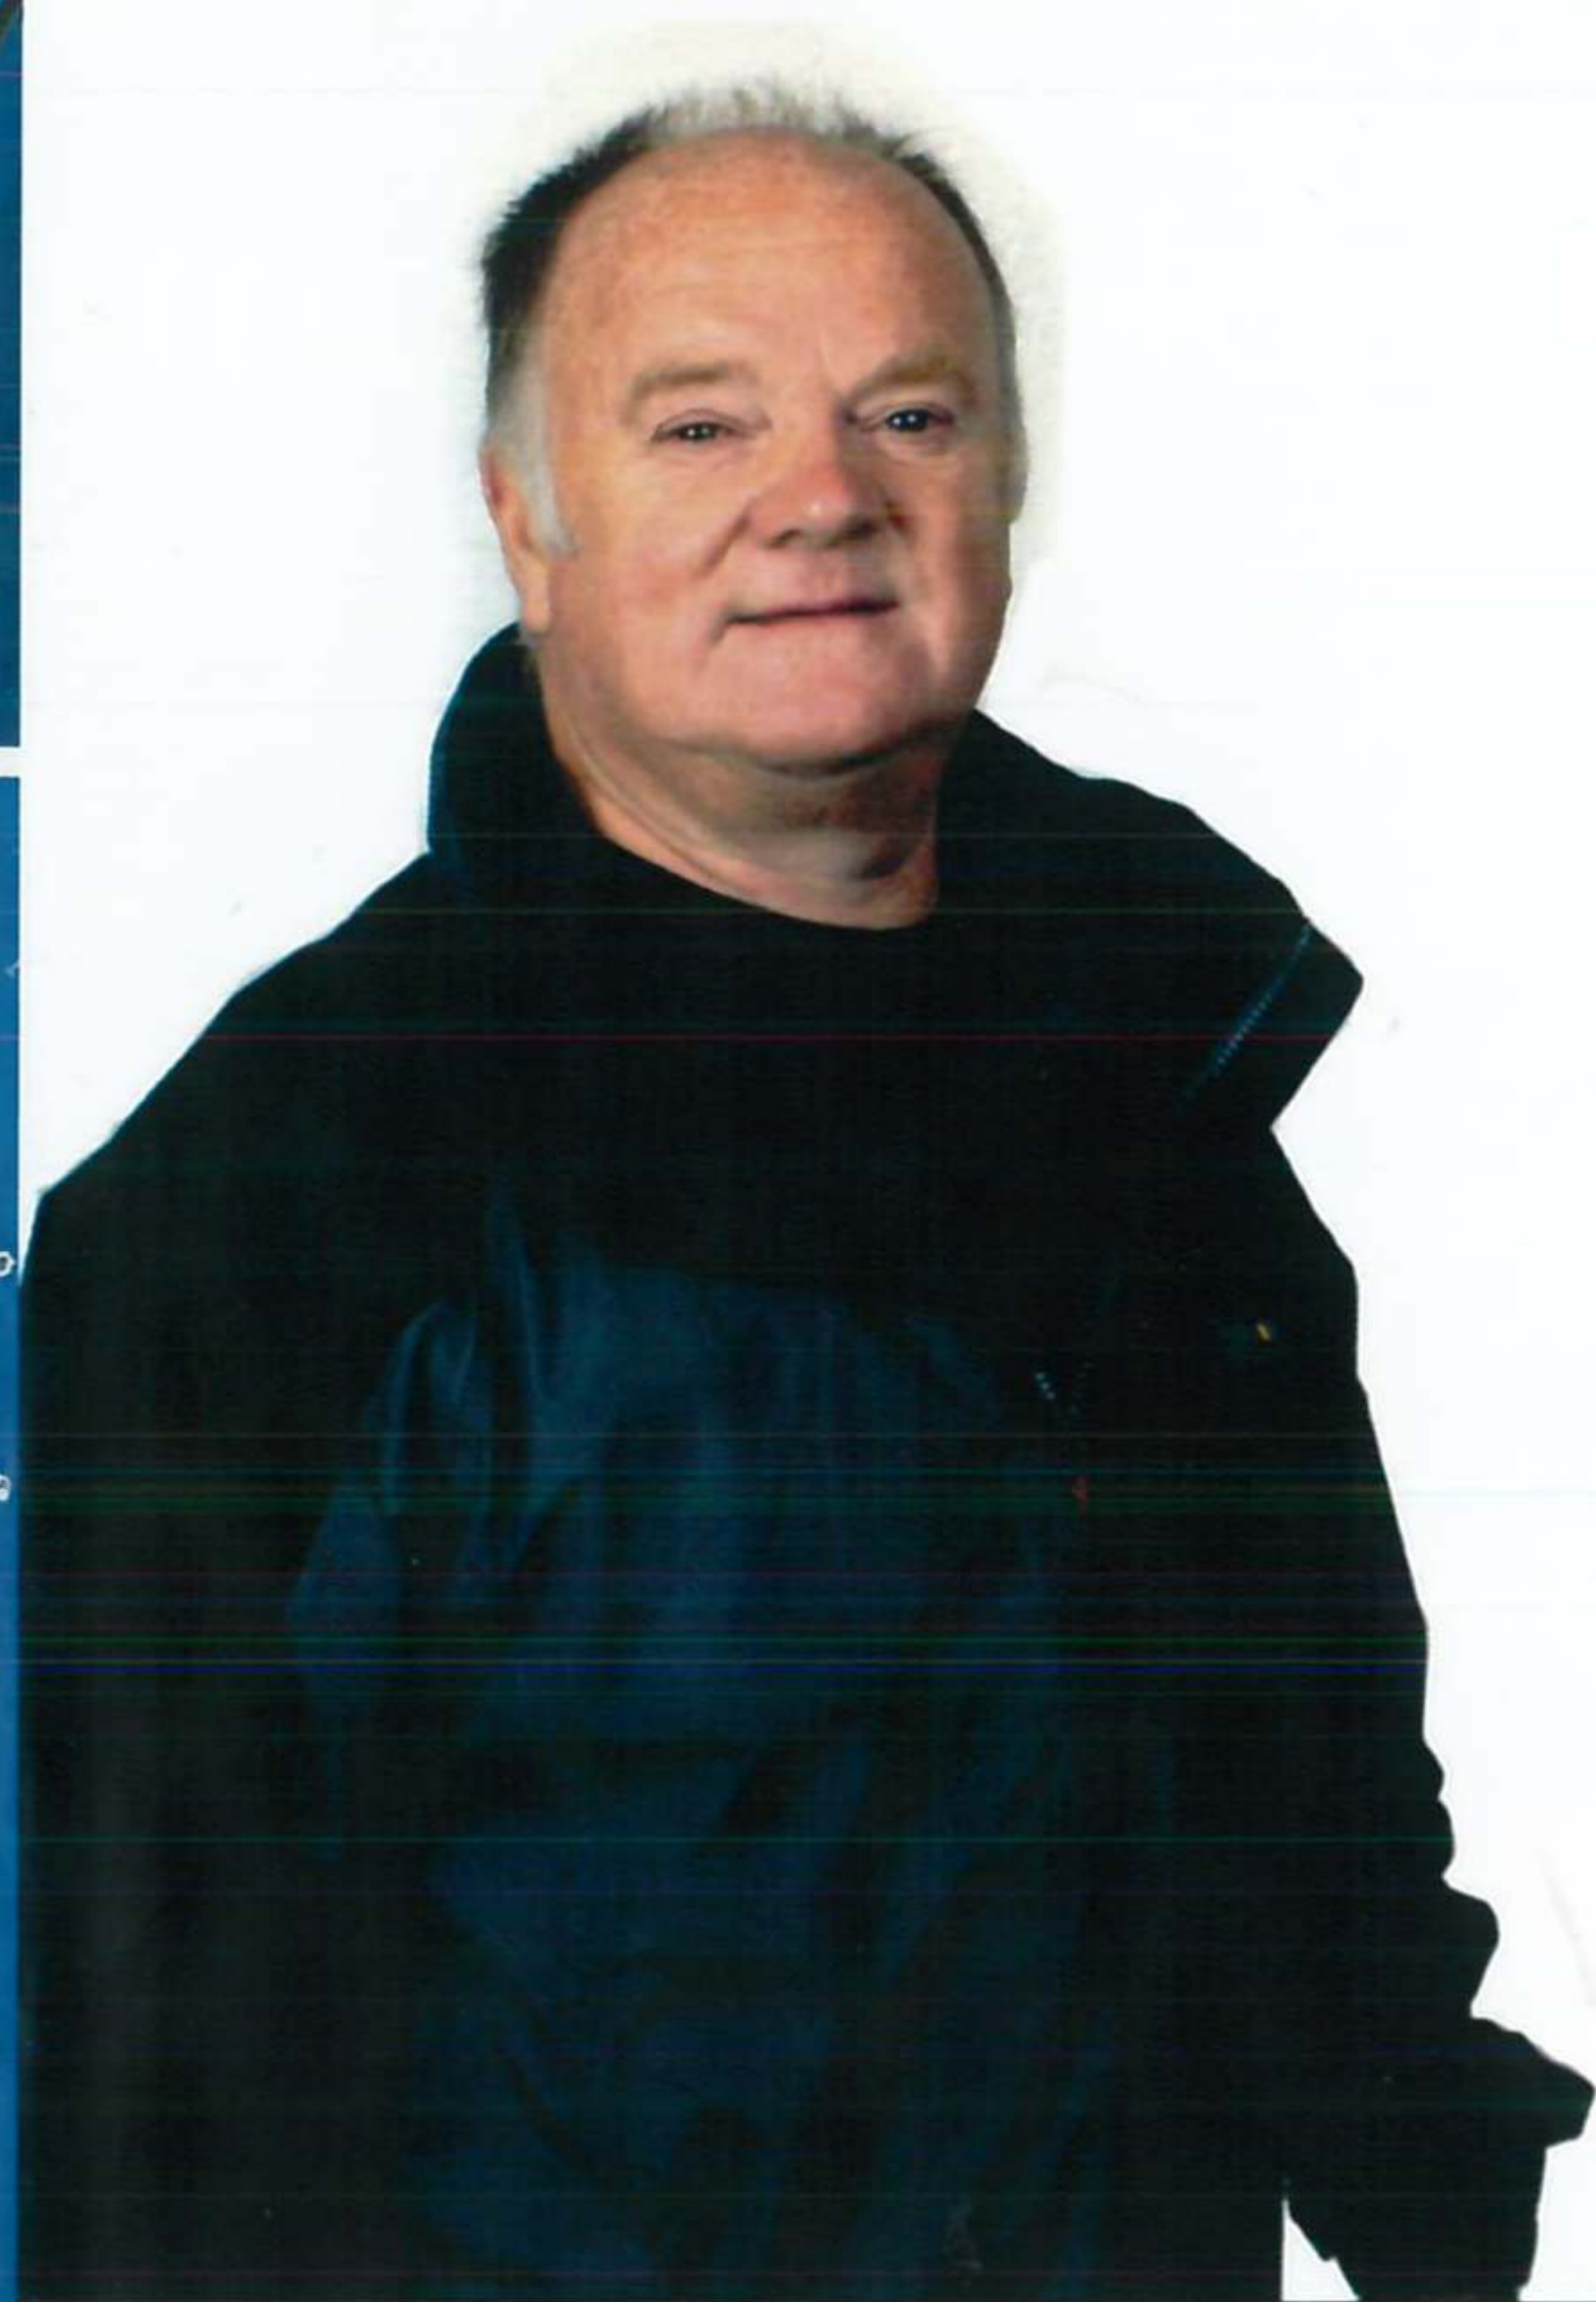

give you a nice taste of what we can look forward for in the new season.

The players have worked very hard, so tonight gives me a great opportunity to have a look at them and continue our preparations for the first league game. One thing I can be sure of is that you will see a number of new faces and this makes it an exciting time of year for me as I contemplate the progress we can make in the Evo-Stik Premier Division.

Last year at this time we faced the loss of top players in the form of Chris Almond and Shaun Tuck and this year some of the Championship team have moved on. This year we have brought together some very high-quality players that I am certain will become the fans favourites very quickly.

As I said in last week's newspaper, the standard of player that comes down to Skelmersdale each summer to try to get into our squad improves year on year, but this year's group really are exceptional. It all gives me a good feeling for what could be great times ahead.

Keep up the good support
Tommy

SKELMERSDALE UNITED

PLAYER PROFILES

Zach Hibbert – Goalkeeper. Joined in the summer from Southport, where Liam Watson used him as cover keeper in the Conference Premier Division, 25 year old Zach has experience in the Blue Square North for both Southport and Burscough. Latterly he has appeared for Prescot Cables and Clitheroe.

Marcus Burgess – Goalkeeper. Burnley born Marcus is a seventeen year old with a big future, he burst onto the scene at the club with a superb performance in the local derby against Burscough, and he is also a regular in the club's Youth team.

Lewis Field – Right-Back Another player who has connections locally, Lewis was a full-timer at Wigan Athletic, before having eighteen months with Burscough at Victoria Park. Tommy Lawson was pleased to capture his signature just before the 2011 transfer deadline, popular not just for his flowing hair locks but for his marauding style on the right-hand side.

Shaun Holden – Left-Back Shaun signed from Droylsden during March, he has previous experience at both Burscough and Southport and looks to have good future with the club. After joining the club he quickly established himself as the first choice left-back and picked a Championship medal at the end of the season.

Tony Rendell – Central Defender A summer acquisition after he had been on trial at Stockport County and Hyde United, he has also spent a couple of seasons with Prescot Cables. He has established himself as a player who gives his best and is often among the leading players when

Skelmersdale are under pressure.

Rob McIntosh – Defender Started out at Burscough, where he played in the Blue Square North as a teenager, after a managerial change Rob moved to Prescot Cables and again earned a good reputation. A cultured defender he stands at 6ft 3ins and puts that height advantage to good use in the Skelmersdale side.

Tom Hardwick – Defender. Joined late in the 2011/12 season from Warrington Town and has soon made a name for himself. He was with Tommy Lawson when he was at Clitheroe as a full-back, but has now matured into a lynch-pin of the defence.

Peter Wylie- Defender/Midfield. Built himself a fine reputation with the Blackburn Rovers Academy, he was a regular in the under 21 team and can boast a large number of FA Youth Cup games for Rovers.

Aaron Turner – Midfield. Aaron was a member of the Skelmersdale team six years ago and made a name for himself in the centre of the park. He was sold to Southport in 2010 and found himself a place in the Blue Square Premier club's side; however. He had a serious injury at Kettering Town on the last day of the 2010/11 season and never played for Southport again. Following the summer, he was finally given the all clear to play again in November 2012 and he immediately re-signed for Skelmersdale.

In his final season, Prescot were play-off candidates for a place in the Conference North. Tommy has also managed at Droylsden, Clitheroe, Congleton, Stantondale and Warrington Town along with a brief spell at Skelmersdale back in 1992. During this (his second) spell with Skelmersdale he has managed the club to runners-up spot twice in Division One North losing out by one point and goal difference respectively and will be hoping to go one better this season.

TOMMY LAWSON... EVO-STIK LEAGUE MANAGER OF THE YEAR

By Neil Leatherbarrow

Skelmersdale United manager Tommy Lawson was in celebratory mood yet again on a Saturday evening in June, when he was awarded the Evo-Stik Northern Premier League Manager of the Year trophy. An accolade he received over all the other 65 managers in the whole league.

The ceremony was held at the Hilton Hotel Blackpool, where a full house at the occasion got to their feet almost as one to clap Tommy who is clearly a popular man among his peers up to the stage to pick up his trophy.

It was said by the MC on the stage that Tommy won the trophy in the face of stiff opposition, but Skelmersdale United's record points total, the fact they had only lost four league games all season and scored a massive 110 goals in doing so helped. They did add though that the factor that tipped the balance Tommy's way was the marvellous FA Trophy run that Skelmersdale achieved at the same time, when they reached the last sixteen.

Speaking after the great night, Tommy as usual was quick to thank others that assist him for the help they have given him all season, when he said; "I am delighted for myself, Brian (Brian Richardson, Assistant Manager) and the coaching staff who have all contributed their part to this great honour. I am

also delighted for the club, as it really does reflect the achievement of the club this season. To win this award over the other sixty odd managers in the league is a great compliment."

News from around the league

When Darlington manager Martin Gray told his players that he was going to use this weekend to plan their assault on the Evo-Stik Northern Premier League they didn't take him literally, writes Ray Simpson.

The First Division North's newcomers should have. Instead of the fun team bonding exercises they had in mind after last summer's spot of paint-balling and quad-biking, the Darlo squad prayed for fine weather after their mischievous manager revealed they were off to train with the British Army!

Gray took his squad to the Marne Barracks in Catterick where they were put through their paces over a gruelling 48 hours. Darlo say instructors lined up a series of

challenges and tests for the players, including drilling, cross country runs, assault courses and even a night under canvass while on patrol.

Gray said: "The whole aim of the weekend was for the players to get to know each other better. We've got some new lads in the squad and there's no better way for them to integrate.

Wakefield's fans and players can look forward to a new 3G pitch at Belle Vue following the club's takeover by Wakefield Football Development Limited.

WFDL completed their deal with the First Division North's Bears recently and aim to develop and build a successful football development centre for Wakefield and the surrounding areas. The centre piece of the

development, which will also include a state-of-the-art gym, classrooms and other facilities, will be the 3G facility.

WFDL have appointed Simon Tuffrey as Wakefield's new Chairman and say their first priority is to start finding the finance over the coming months for the club's new base.

Tuffrey said: "Wakefield is a great club and with the right planning going forward we can become a successful side allowing local talented players the opportunity to play at a highly competitive level of football."

As part of WFDL's ambitious plans to advance talented young players and strengthen community links, the club are opening a new soccer school for juniors and have also appointed Chris Wright in a new role as Head of Youth Development following his switch from Garforth Town.

The article below was taken from an issue of GOAL magazine of May 1st 1971.

SKEM'S FIRST HALF OF A MERSEY DOUBLE?

DAGENHAM must hate the sight of Wembley. Beaten 5-1 by Enfield in last year's Amateur Cup final, they crashed again last Saturday, this time 4-1 to Northern giants Skelmersdale United.

Skelmersdale played with all the professionalism and flair that are the hallmarks of near-neighbours Liverpool, and have performed the first half of a possible Merseyside double.

Said their manager Roy Rees: "Now we will be rooting for Steve Heighway, who played for us last season, and Liverpool, in the F.A. Cup final on May 8."

Centre-forward Ted Dickin, a 27-year-old university lecturer, was the Skelmersdale hero. He grabbed a superb hat-trick. Said Rees of his

display: "He's a better full-back than he is a centre-forward. But he's scored so many goals for us we've had to play him up front. It's a good job we did."

Dickin's display brought into question once again the method of selection of England and Great Britain teams.

The man who demoralised the best amateur side in the south of England with his non-stop running and powerful finishing hasn't been picked for England or Great Britain — sides dominated by southern

players—this season.

Roy Rees commented sarcastically, "He's scored 45 goals for us this season, but he's not good enough for England. Steve Heighway wasn't good enough to play for England either. Now he's with Liverpool and been capped by Eire."

This was Skelmersdale's last chance to win the Amateur Cup. They turn professional this summer. But the tension of the task never showed in their football. Substitute Andy Windsor scored the other goal — Tony Bass got Dagenham's consolation goal—and Skem. proved without doubt they have the ability to do well in the Northern Premier League next season.

Said Rees: "We are losing Paul Clements to Oldham, but the rest of the team will be with us next season, plus several professional players we've got lined up."

MY FAULT BURNLEY ARE DOWN, says Jimmy Adamson

BURNLEY are down. Just 11 years after they won the League championship, the team who insist on attractive football are relegated to the Second Division.

It was also the week that Bolton found themselves relegated to the third tier of the football league for the first time as they were beaten 4-1 at Charlton. Bolton lined up Clarke, Ritson (a Skem lad), McAllister, Waldron, Hulme, Marsh, Redfern, Greaves, Jones, Seddon and Duffy. Bolton's consolation goal coming from Greaves.
